**Research Intern**  
U.S. Department of Energy  
Posted 01/07/2008

**Job Number:** 10239  
**Job Location:** Various Locations  
**Employment Dates:** to  
**Work Schedule:**  
**Salary:**

---

**Job Description:**

Are you interested in conducting research at the US Department of Energy's largest multi-purpose laboratory? Would you like to get paid to learn? Are you interested in expanding your resume? Would you like to gain research experience before entering the workforce or graduate school?

If you answered yes to any of these questions then you should visit [www.scied.science.doe.gov](http://www.scied.science.doe.gov) to learn more about the following programs:

Science Laboratory Internship Program (SULI)  
Community College Institute Program (CCI)  
Pre-Service Teacher Program (PST)  
Faculty and Student Teams Program (FaST)

**Qualifications:**

- Must have earned a high school diploma or GED
- Must be at least 18 years at start of the program
- Must have completed at least one semester of college
- Must have a minimum 2.5 out of 4.0 GPA

Must be a US Citizen or Legal Permanent Resident

- Must have coverage under a health insurance plan. It is the responsibility of each participant to secure insurance coverage before arriving at the appointment site

**Application Instructions:**

Apply online at [www.scied.science.doe.gov](http://www.scied.science.doe.gov). There are specific program requirements for each internship in addition to the qualifications stated above.

Applicants must submit a completed application and two letters of recommendation.

---

**Application Deadline: 06/15/2008**
