Mike McGinley Computer Science Scholarship

**Token** 2BD2C79

**Amount** $1,000

**Deadline** 03/15/2015

**Materials Due** 03/15/2015

**Description**

The Mike McGinley Computer Science Scholarship was established in 2013 to provide support for undergraduate students entering the Computer Science program at the University of Montana.

**Eligibility**

These scholarships will be allocated based on the following guidelines: 1.) Students majoring in Computer Science who have completed the UM recommended college preparatory curriculum in high school, which includes 4 years of Math, 4 years of English, and 3 years of a lab Science. 2.) Preference given to incoming freshman who are Montana residents, and to students with financial need, as determined by the Office of Financial Aid need analysis.

**Application Requirements**

Completed online scholarship application.

**Award Criteria**

The Computer Science Scholarship Committee shall determine award recipients based on eligibility requirements, scholarly accomplishments, honors received, and career aspirations.
